1. Taking authority is where My people must come to. That's why I told you earlier in many words—there is no place for timidity in those who will smash darkness with My power. They cannot be afraid or reticent or hesitant when they know I have spoken.

2. They are to know My will—so many know My will yet timidly walk around fearful of making any sound or drawing any attention to themselves, what they do, what they wear, what they say—so careful, so careful, so bound by what they are afraid of.

3. Take authority Ted and take authority that will give My body the ability to walk in My authority. Smash to smithereens the bars of iron and gates of brass that have held truth back from My people. Let them fly, let them soar, let them glide—unfueled—except for My power and Me alone, Me, My power, in them, empowering them to walk and talk and be My body in fullness—and not in fear and timidity, but in authority and meekness and love.

4. Power—teaching—power, teaching, authority, healing, My body, growing up, maturing, taking rightful place, pre-designed and waiting—now, now, now.

5. All that I have given you—all that I have given you—un-intimidated un-inhibited be, as you walk the halls of orthodoxy and Christendom and halls you know nothing of and didn't know existed.

6. You can walk there Ted, you can walk in love, and you who can walk in love, rather than your physical intellectual understanding—love, love, love, honor, power, respect, meekness, meekness, respect, honor, and power—Ted, can walk anywhere and everywhere I lead.

7. Designations of new designs come forth—in meekness, respect, honor, and power.

8. Seven pillars—of Me, write Ted write, seven pillars—wisdom, knowledge, understanding and power will come through My seven pillars to you and yours and those I've given you.

9. What you've seen this morning you will do.
What you've heard this morning you will say.
What you experience from this will be exponentially exponentiated through the lives of those students, to transform a culture headed wrong a long time.

10. Much good, much bad, and bad has displaced good, and excelled more, but not for long—cleansing, cleansing, cleansing, power, meekness, into My throne room they come, seeking Me and what I have and who I am, and no more will they pursue me in intellect only.

11. Power, meekness, honor, and power.

12. My children, My children, My children, who I created, who I love, who I nurture, who I formed and seeded with Me, so would, will, be exalted, and father the more.

13. Go and grow and glow and nourish the young, nourish the old, nourish the open, handing them to Me so I can nurture and flourish and make them smile.

14. Experientially, experientially, experientially.
15. New paradigms Ted, new paradigms.
16. New schools of learning in Me—of Me—through Me, by Me, by My design.
You're getting it, you're getting it.
Piece by piece you're getting and building by laying the foundation blocks securely in place and adjusting plumb lines by Truth, truth personified.

17. Oh happy I am, rejoicing I am, as plumb lines true and cornerstones laid and brick masons now come in helping to fill in the stones of Me, to facilitate structures of righteousness, made only by Me.

18. Oh righteous, oh experiential, oh of the heart—
Designed by Me, through many powerful Mine who lend a hand, an ear, a year—to mentor and disciple and design and graduate many.

19. Unlike the past.
Tenured in only Me.
My Mine—My generals, My admirals, My giants.
Little in stature often—
Powerful in Me.

20. Technology issues of technologies still in My heart, and waiting for your helpers —oh joy.

21. My tablets, My pens, writing words of Me—through My hearts surrendered to Me, in Me, of My doing, filling My earth with My word, My words, of power, meekness, love and respect—My body weak no longer.

22. Week long—experiencing your world—which is My world—I designed for you.
Week long extravaganzas of power and purity—with purpose of only Me—
Purity, purpose, power—cleansing freedom.
